Re: Freedom of Information Act (FOIA) -19-FOIA-000100

Dear Mr. Kick:

This is in response to your Freedom of Information Act (FOIA) Request to Court Services and Offender Supervision Agency (CSOSA.) Your request sought; a copy of the FOIA Log covering 2018. Your request was processed in accordance with the Freedom of Information Act (FOIA), 5 U.S.C. § 552.

Pursuant to your request, we conducted a search of agency records and located a total of sixteen (16) pages responsive to your request. It has been determined that some portions of these records contain personal privacy information consisting of names, hearing and/or probation dates. One exemption of the FOIA was relied upon to withhold this information.

The first applicable exemption, 5 U.S.C. § 552(b)(6), exempts from required public disclosure, “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” Some of the records you have requested contain “similar files” within the meaning of the above cited statutory language. In applying Exemption 6, a balancing test was conducted, weighing the privacy interests of the individuals named in a document against the public interest in disclosure of the information. The public interest in disclosure is one that “sheds light on an agency’s performance of its statutory duties.” *Dep’t of Justice v. Reporters Committee*, 489 U.S. 749, 773 (1989). CSOSA is withholding names, hearing dates, and probation dates. The FOIA Officer has determined disclosure of this information would constitute a clearly unwarranted invasion of an individual’s personal privacy.

Since some portions of the enclosed records have been redacted, this constitutes a partial denial of your records request, I am providing you your administrative appeal rights in the event you wish to avail yourself of this process. The FOIA provides at 5 U.S.C. § 552(a)(6)(A)(i) (2014) amended by FOIA Improvement Act of 2016, Pub. L. No. 114-185, 130 Stat. 538 that if a FOIA request is denied in whole or in part by the FOIA Officer, the requester may file a written appeal within 90 days from the date of the denial or, if later (in the case of a partial denial), 90 days from the date the requester receives the disclosed material. Your appeal shall be addressed to the General Counsel, Court Services and Offender Supervision Agency, 601 Indiana Avenue, NW, Suite 512, Washington, DC 20004 and must be clearly marked “Freedom of Information Act Appeal.”

If you would like to discuss our response before filing an appeal to attempt to resolve any dispute without going through the appeals process, please contact Jeanean West at (202) 220-5748 or by email at [jeanean.west@csosa.gov](mailto:jeanean.west@csosa.gov). In the alternative, you may also contact Johnathan Raford, Supervisory Program

You also have the option to contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. This is our final response and completes the processing of your request. There were no fees associated with the processing of your request. You may submit future requests by accessing <https://www.foia.gov>.

Sincerely,

*Jeanean West*

| 18-FOIA-00334 | Kersting, Maryll  | Allied Universal        | 7/3/2018      | 10/2/2018   | Good afternoon, I hope you are well. I'm reaching out to submit a public records request for documents associated with the current security guard contract in place (associated with the attached procurement from 2013). Specifically I'd like to request copies of the current contract including wages/bill rates and all changes/addendum, a copy of all evaluation documentation from the procurement, and a copy of the winning proposal from the procurement. If there's someone else I should reach out to in order to complete this request, please let me know. In addition, if there's anything I can do to expedite or clarify this request, please feel free to contact me on my cell phone (b)(6). Thank you in advance for your help. Maryll |

It is my understanding that the Program includes travel, purchase, fleet and integrated charge cards, and serves hundreds of government agencies and more than a million cardholders. I would like to receive the names all Federal employees holding any charge card at any point between January 1, 1998 and December 31, 2016. For each employee, please provide: full name; agency and sub-agency; location of duty; occupation; supervisor who recommended the employee; card type (purchase, etc.); whether the card is billed individually or centrally; and the date range during which the employee held the card. I am a doctoral student at NYU Stern, and the request is made solely for my academic research project, not for any commercial use. My research is publicly available, through my personal website and our academic network, and I frequently present it in various academic conferences. As a doctoral student my research budget is quite limited, and, if possible, I would be grateful if you could consider waiving all fees (Date Range for Record Search: From 01/01/1998 To 12/31/2016) |
